Volume 3 Issue 37

Dear TSA Generals,

Tenacity. **S**upports. **A**chievement. Wow. We did it! Together we finished the academic session for the 2019-2020 school year.

Certainly one for the record books! We conducted our Awards for middle and high school on Wednesday, and based on your feedback, I believe everything went very well. I did hear that one or two of you were not able to get on. I apologize for that, but we were able to recognize our TSA students in a lot of different areas. For those who were recognized, congratulations. For those who were not, make it your goal and passion to be able to be recognized next year! Our special graduation recognition for our seniors is tomorrow at 10 AM. Decorate your cars and honk your way around to show how much you appreciate the "Great 38." Let's please continue to pray for and with each other. Stay healthy.

Please take a minute to write a review on Google. You may also upload pictures. You may go to "Niche.com" or "Greatschools.org" to write other reviews about TSA. Like us on Facebook and follow us on Twitter, and Instagram. You can follow me on Twitter at TSA_DrM. #Generalpride.

The Show Must Go On...

Dr. Martin and Cameron Dixon conduct the Upper School End of the Year Awards Program via Zoom. Congratulations to all winners!

Mrs. Laney's 2nd Grade class didn't let the 2020 Pandemic stop them from putting on their annual Talent Show. Her students shared their many talents through Zoom. Check out the video on TSA's Facebook page.

Encapsulation Project on “The Hill”

Even with the school closed, there are great things happening on “The Hill.” Our Encapsulation project is well underway. TSA parent, Michael Laney and his team, are removing the ducting, replacing HVAC with split units, and creating a more energy efficient and cleaner air and heating for our elementary classrooms.
