Summer Reading **TIPS AND IDEAS:**

- Choose books that look interesting and fun--books that are “just right.”
- Visit the public library. If your public library has a summer challenge, complete the challenge and share with us so we can celebrate!
- Find fun, new places to read. Get creative--something out of the ordinary!
- Invite friends over for a reading party. Have popcorn, listen to music, and READ!
- Read on your vacation. Pack and take books with you in your bag to read when you are looking for something to do.
- Read a book and then watch the movie version.
- If you are willing to share, send a picture of your child with his/her library card or enjoying some summer reading to Mrs. Hale at cheryl.hale@thomassumter.org. We'd love to feature our young General readers on our school web pages this summer!
